Dear Mr. Arbaugh:

**Re: Request for Information – Cooper Drum Superfund Site, Los Angeles County, California (9316 South Atlantic Avenue, South Gate, CA)– Response on behalf of Rathon, Inc.**

In reply to the abovementioned Request for Information, a copy of which is annexed hereto for ease of reference, we advise that, prior to May 14, 1978, Molson had no connection to Rathon Inc. (formerly Diversey Wyandotte, Inc. and/or Rathon Corp.) and that any information provided prior to such date is by way of limited historical records only. Please also note that Diversey/Rathon sold the majority of its operating assets to Unilever on April 1, 1996, and is no longer an actively operating company. We therefore have limited documentation with respect to the operation of its former facilities.

We have found no manifests, invoices or other shipping documents indicating that any drums were transported from any Diversey facility to the Cooper Drum facility for any purpose. We note that we are continuing our investigation, and will supplement this response as appropriate.

We trust the attached response is satisfactory. We remain at your service should you have any further questions or wish any points clarified, in which case we assure you of our continued cooperation.

Yours truly,

**MOLSON INC.**

Re: Request for Information - Cooper Drum Superfund Site, Los Angeles County,  
California

Dear Mr. Crowley:

This letter seeks your cooperation in providing information and documents relating to the contamination of soils and groundwater underlying the former Cooper Drum facility located at 9316 South Atlantic Avenue, South Gate, California. This area is referred to as the Cooper Drum Superfund Site ("the Site"). The United States Environmental Protection Agency ("EPA") is spending public funds to investigate actual and threatened releases of hazardous substances at the Site. EPA is conducting this investigation to determine the nature and extent of contamination in the area, to assess the effects of contamination on the environment and human health, and to identify activities and parties that contributed to the contamination. This request is for information you may have pertaining to the former Cooper Drum facility.

In the mid 1990's EPA began investigations at the Cooper Drum facility. Sampling results showed groundwater underneath the facility was contaminated by hazardous substances, primarily trichloroethylene ("TCE") and perchloroethylene ("PCE"). Other contaminants of concern at the Site include benzene in groundwater and polychlorinated biphenyls (PCBs), lead and polycyclic aromatic hydrocarbons (PAHs) in the soil.

EPA believes that you may have information which could assist EPA in their investigation of the groundwater below the Cooper Drum Superfund Site. We encourage you to give this matter your immediate attention and request that you provide a complete and truthful response to this Information Request and attached questions (Enclosure B) within thirty (30) calendar days of your receipt of this letter. Instructions on how to respond to the questions are provided in Enclosure A. Your response to this letter should be made in writing, signed by you or a duly authorized representative of Rathon Corp.

Under section 104(e) of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. §9604(e), EPA has broad information gathering authority which allows EPA to require:

Rathon Corp.  
Request for Information - Cooper Drum Superfund Site  
Page 2 of 3

[A]ny person who has or may have information relevant to any of the following to furnish, upon reasonable notice, information or documents relating to such matter:

- (A) The identification, nature, and quantity of materials which have been or are generated, treated, stored, or disposed of at a vessel or facility or transported to a vessel or facility.
- (B) The nature or extent of a release or threatened release of a hazardous substance or pollutant or contaminant at or from a vessel or facility.
- (C) Information relating to the ability of a person to pay for or perform a cleanup.

Please note that your compliance with this Information Request is mandatory. Failure to respond fully and truthfully could result in enforcement action by EPA pursuant to section 104(e)(5) of CERCLA, 42 U.S.C. §9604(e)(5). This statutory provision, as amended, authorizes EPA to seek the imposition of penalties up to \$27,500 per day of noncompliance. Please be further advised that provision of false, fictitious or fraudulent statements or representations may subject you to criminal penalties under 18 U.S.C. §1001. The information you provide may be used by EPA in administrative, civil or criminal proceedings.

This request for information is not subject to review by the Office of Management and Budget ("OMB") under the Paperwork Reduction Act because it is not an "information collection request" within the meaning of 44 U.S.C. §§3502(3), 3507, 3512, and 3518(c)(1). See also, 5 C.F.R. §§1320.3, 1320.4, and 1320.6.

You may consider some of the information EPA is requesting to be confidential. Please be aware that you may not withhold the information on that basis. If you wish EPA to treat the information confidentially, you must advise EPA of that fact by following the procedures outlined in Enclosure A, including providing support for your claim of confidentiality.

Your response should include the appropriate name, address, and telephone number of the person to whom EPA should direct future correspondence in regard to this matter on behalf of Rathon Corp. Your response should be directed to Steven Arbaugh at the following address:

Section 1.1 Registered Office and Agent. The Corporation shall have and maintain a registered office in Delaware and a registered agent having a business office identical with such registered office.

Section 1.2 Other Offices. The Corporation may also have such other office or offices in Delaware or elsewhere as the Board of Directors may determine or as the business of the Corporation may require.

ARTICLE II  
STOCKHOLDERS

Section 2.1 Annual Meeting. An annual meeting of the stockholders shall be held on the second Tuesday in June in each year beginning with the year 1997, at the hour of 10:00 A.M., or in the event the annual meeting is not held on such date and at such time, then on the date and at the time designated by the Board of Directors, for the purpose of electing directors and for the transaction of such other business as may come before the meeting. If the day fixed for the annual meeting shall be a legal holiday, such meeting shall be held on the next succeeding business day. If the directors shall not be elected at the annual meeting, or at any adjournment

thereof, the Board of Directors shall cause the election to be held as soon thereafter as may be convenient.

Section 2.2 Special Meetings. Special meetings of the stockholders may be called at any time by the President, and shall be called by the President or Secretary at the request of (a) a majority of the Board of Directors or (b) the holders of not less than one-fifth of all the outstanding shares entitled to vote on the matter for which the meeting is called. Such request shall state the purpose or purposes of the proposed meeting.

Section 2.3 Place of Meeting. Meetings of stockholders, whether annual or special, shall be held at such time and place as may be determined by the Board of Directors and designated in the call and notice or waiver of notice of such meeting; provided, that a waiver of notice signed by all stockholders may designate any time or place as the time and place for the holding of such meeting. If no designation is made, the place of meeting shall be at the Corporation's principal place of business.

Section 2.4 Notice of Meeting. Written notice stating the place, date and hour of the meeting and, in case of a special meeting, the purpose or purposes for which the meeting is called, shall be given not less than ten nor more than sixty days before the date of the meeting, or, in the case of a merger, consolidation or sale, lease or exchange of all or substantially all of the Corporation's property and assets, at least twenty days before the date of the meeting, either personally or by mail, by or at the direction of the President, the Secretary or the persons calling the meeting, to each stockholder of record entitled to vote at such meeting. If mailed, notice is given when deposited in the United States mail, postage prepaid, directed to the stockholder at his address as it appears on the records of the Corporation.

Section 2.5 Fixing Record Date for Determination of Stockholders. For the purpose of determining stockholders entitled to notice of or to vote at any meeting of stockholders, or stockholders entitled to receive payment of any dividend, or in order to make a determination of stockholders for any other proper purpose, the Board of Directors may fix in advance a date as the record date for any such determination of stockholders, such date to be not more than sixty days prior to the date of a meeting of stockholders, the date of payment of a dividend or the date on which other action requiring determination of stockholders is to be taken, as the case may be. In addition, the record date for a meeting of stockholders shall not be less than ten days, or in the case of a merger, consolidation or sale, lease or exchange of all or substantially all of the Corporation's property and assets, not less than twenty days immediately preceding such meeting. When a determination of stockholders entitled to vote at any meeting of stockholders has been made as provided in this Section, such determination shall apply to any adjournment thereof; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

Section 2.6 List of Stockholders Entitled to Vote. The officer who has charge of the stock ledger of the Corporation shall prepare and make, at least ten days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, for a period of at least ten days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is

to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present. The stock ledger shall be the only evidence as to who are the stockholders entitled to examine the stock ledger, the list of the stockholders, the corporate books, or to vote at any meeting of the stockholders.

Section 2.7 Quorum and Manner of Acting. Unless otherwise provided by the Certificate of Incorporation or these By-laws, a majority of the outstanding shares of the Corporation, entitled to vote on a matter, present in person or represented by proxy, shall constitute a quorum for consideration of such matter at any meeting of stockholders; provided, that if less than a majority of the outstanding shares entitled to vote on a matter are present in person or represented by proxy at said meeting, a majority of the shares so present in person or represented by proxy may adjourn the meeting from time to time without further notice other than announcement at the meeting at which the adjournment is taken of the time and place of the adjourned meeting. At the adjourned meeting the Corporation may transact any business which might have been transacted at the original meeting. If the adjournment is for more than thirty days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. If a quorum is present, the affirmative vote of the majority of the shares present in person or represented by proxy at the meeting and entitled to vote shall be the act of the stockholders, unless the vote of a greater number or voting by classes is required by the General Corporation Law of the State of Delaware, the Certificate of Incorporation or these By-laws.

Section 2.8 Voting Shares and Proxies. Each stockholder shall be entitled to one vote for each share of capital stock held by such stockholder, except as otherwise provided in the Certificate of Incorporation. Each stockholder entitled to vote shall be entitled to vote in person, or may authorize another person or persons to act for him by proxy executed in writing by such stockholder or by his duly authorized attorney-in-fact, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period.

Section 2.9 Inspectors. At any meeting of stockholders, the chairman of the meeting may, or upon the request of any stockholder shall, appoint one or more persons as inspectors for such meeting. Such inspectors shall ascertain and report the number of shares represented at the meeting, based upon the list of stockholders produced at the meeting in accordance with Section 2.6 hereof and upon their determination of the validity and effect of proxies, and they shall count all votes, report the results and do such other acts as are proper to conduct the election and voting with impartiality and fairness to all the stockholders. Each such report shall be in writing and signed by at least a majority of the inspectors, the report of a majority being the report of the inspectors, and such reports shall be prima facie evidence of the number of shares represented at the meeting and the result of a vote of the stockholders.

Section 2.10 Voting of Shares by Certain Holders. Shares of its own stock belonging to the Corporation, unless held by it in a fiduciary capacity, shall not be voted, directly or indirectly, at any meeting, and shall not be counted in determining the total number of outstanding shares at any given time. Shares standing in the name of another corporation, domestic or foreign, may be voted by such officer, agent or proxy as the by-laws of such corporation may prescribe, or, in the absence of such provision, as the board of directors of such

corporation may determine. Persons holding stock in a fiduciary capacity shall be entitled to vote the shares so held. Persons whose stock is pledged shall be entitled to vote, unless in the transfer by the pledgor on the books of the Corporation he expressly empowered the pledgee to vote thereon, in which case only the pledgee, or his proxy, may represent such stock and vote thereon.

Section 2.11 Action by Written Consent. Unless otherwise provided in the Certificate of Incorporation, any action required to be taken at any annual or special meeting of stockholders of the Corporation, or any action which may be taken at any annual or special meeting of such stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing.

Section 2.12 Cumulative Voting. If the Certificate of Incorporation so provides, at all elections of directors of the Corporation, or at elections held under specified circumstances, each holder of stock shall be entitled to as many votes as shall equal the number of votes which he would be entitled to cast for the election of directors with respect to his shares of stock multiplied by the number of directors to be elected by him, and he may cast all such votes for a single director or may distribute them among the number to be voted for, or for any two or more of them, as he may see fit.

Section 3.3 Regular Meetings. A regular meeting of the Board of Directors shall be held, without other notice than this Section, immediately after and at the same place as the annual meeting of stockholders. The Board of Directors may provide, by resolution, the time and place, either within or without Delaware, for the holding of additional regular meetings without other notice than such resolution.

Section 3.4 Special Meetings. Special meetings of the Board of Directors may be called at any time by the President or any two directors. be sent by telegram or be delivered personally or by telephone not less than two days before the date of the meeting, to each director, by or at the direction of the person or persons calling the meeting. Attendance of a director at any meeting shall constitute a waiver of notice of such meeting except where a director attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at nor the purpose of any meeting of the Board of Directors need be specified in the notice or waiver of notice of such meeting.

Section 3.6 Quorum and Manner of Acting. A majority of the number of directors as fixed in Section 3.2 hereof shall constitute a quorum for the transaction of business at any meeting of the Board of Directors; provided, that if less than a majority of such number of directors are present at said meeting, a majority of the directors present may adjourn the meeting from time to time without further notice. The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors, unless otherwise provided in the General Corporation Law of the State of Delaware, the Certificate of Incorporation or these By-laws.

Section 3.7 Informal Action by Directors. Any action which is required by law or by these By-laws to be taken at a meeting of the Board of Directors, or any other action which may be taken at a meeting of the Board of Directors or any committee thereof, may be taken without a meeting if a consent in writing, setting forth the action to be taken, shall be signed by all of the directors entitled to vote with respect to the subject matter thereof, or by all the members of such committee, as the case may be. Such consent shall have the same force and effect as a unanimous vote of all of the directors or all of the members of such committee, as the case may

be, at a duly called meeting thereof, and shall be filed with the minutes of proceedings of the Board or committee.

Section 3.8 Telephonic Meetings. Unless otherwise restricted by the Certificate of Incorporation or these By-laws, members of the Board of Directors or of any committee designated by such Board, may participate in a meeting of such Board or committee by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this Section shall constitute presence at such meeting.

Section 3.9 Resignations. Any director may resign at any time by giving written notice to the Board of Directors, the President, or the Secretary. Such resignation shall take effect at the time specified therein; and, unless tendered to take effect upon acceptance thereof, the acceptance of such resignation shall not be necessary to make it effective.

Section 3.10 Vacancies.

(a) Vacancies and newly-created directorships resulting from any increase in the authorized number of directors elected by all of the stockholders having the right to vote as a single class may be filled by a majority of the directors then in office, although less than a quorum, or by a sole remaining director, and the directors so chosen shall hold office until their successors are elected and qualified or until their earlier resignation or removal.

(b) Whenever the holders of any class or classes of stock or series thereof are entitled to elect one or more directors by the provisions of the Certificate of Incorporation, vacancies and newly created directorships of such class or classes or series may be filled by a majority of the directors elected by such class or classes or series thereof then in office, or by a sole remaining

director so elected, and the directors so chosen shall hold office until the next election of the class for which such directors shall have been chosen, and until their successors shall be elected and qualified or until their earlier resignation or removal.

Section 3.11 Removal. Any director or the entire Board of Directors may be removed, with or without cause, by the holders of a majority of the shares then entitled to vote at an election of directors, provided, however, that:

(a) if the Board is classified and unless otherwise provided in the Certificate of Incorporation, the stockholders may effect such removal only for cause; or

(b) if the Corporation has cumulative voting, and less than the entire Board of Directors is to be removed, no director may be removed without cause if the votes cast against his removal would be sufficient to elect him if then cumulatively voted at an election of the entire Board of Directors, or, if there be classes of directors, at an election of the class of directors of which he is a part.

Whenever the holders of any class or series are entitled to elect one or more directors by the provisions of the Certificate of Incorporation, the provisions of this Section shall apply, in respect to the removal without cause of a director or directors so elected, to the vote of the holders of the outstanding shares of that class or series and not to the vote of the outstanding shares as a whole.

Section 3.12 Interested Directors.

(a) No contract or transaction between the Corporation and one or more of its directors or officers, or between the Corporation and any other corporation, partnership, association, or other organization in which one or more of its directors or officers are directors or officers, or

have a financial interest, shall be void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the Board or committee thereof which authorizes the contract or transaction, or solely because his or their votes are counted for such purpose, if:

(1) The material facts as to his relationship or interest and as to the contract or transaction are disclosed or are known to the Board of Directors or the committee, and the Board or committee in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors, even though the disinterested directors be less than a quorum; or

(2) The material facts as to his relationship or interest and as to the contract or transaction are disclosed or are known to the shareholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the shareholders; or

(3) The contract or transaction is fair as to the Corporation as of the time it is authorized, approved or ratified by the Board of Directors, a committee thereof, or the stockholders.

(b) Common or interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorizes the contract or transaction.

ARTICLE IV  
COMMITTEES

Section 4.1 Appointment and Powers. The Board of Directors may, by resolution passed by a majority of the whole Board, designate one or more committees, each committee to consist of one or more of the directors of the Corporation which, to the extent provided in said resolution or in these By-laws, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it; but no such committee shall have the power or authority in reference to amending the Certificate of Incorporation (except that any such committee may, to the extent authorized in the resolution or resolutions providing for the issuance of shares of stock adopted by the Board of Directors, fix the designations and any of the preferences or rights of such shares relating to dividends, redemption, dissolution, any distribution of assets of the Corporation or the conversion into, or the exchange of such shares for, shares of any other class or classes or any other series of the same or any other class or classes of stock of the Corporation or fix the number of shares of any series of stock or authorize the increase or decrease of the shares of any series), adopting an agreement of merger or consolidation, recommending to the stockholders the sale, lease or exchange of all or substantially all of the Corporation's property and assets, recommending to the stockholders a dissolution of the Corporation or a revocation thereof, or amending the By-laws; and, unless the resolution, By-laws or Certificate of Incorporation expressly so provide, no such committee shall have the power or authority to declare a dividend, to authorize the issuance of

stock, or to adopt a certificate of ownership and merger pursuant to Section 253 of the Delaware General Corporation Law.

Section 4.2 Absence or Disqualification of Committee Member. In the absence or disqualification of any member of such committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not they constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in the place of any such absent or disqualified member.

Section 4.3 Record of Proceedings. The committees shall keep regular minutes of their proceedings and when required by the Board of Directors shall report the same to the Board of Directors.

The officers of the Corporation shall be a President, one or more Vice Presidents (the number thereof to be determined by the Board of Directors), a Treasurer and a Secretary. There shall be such other officers and assistant officers as the Board of Directors may from time to time deem necessary. Any two or more offices may be held by the same person.

Section 5.2 Election, Term of Office and Qualifications. The officers shall be elected annually by the Board of Directors at the first meeting of the Board of Directors held after the annual meeting of shareholders. If the election of officers is not held at such meeting, such election shall be held as soon thereafter as may be convenient. Vacancies may be filled or new

offices created and filled at any meeting of the Board of Directors. Each officer shall be elected to hold office until his successor shall have been elected and qualified, or until his earlier death, resignation or removal. Election of an officer shall not of itself create contract rights.

Section 5.3 Removal. Any officer may be removed by the Board of Directors whenever in its judgment the best interests of the Corporation will be served thereby, but such removal shall be without prejudice to the contract rights, if any, of the person so removed.

Section 5.4 Resignation. Any officer may resign at any time by giving written notice to the Board of Directors, the President or the Secretary. Such resignation shall take effect at the time specified therein; and, unless tendered to take effect upon acceptance thereof, the acceptance of such resignation shall not be necessary to make it effective.

Section 5.5 Duties. In addition to and to the extent not inconsistent with the provisions in these By-laws, the officers shall have such authority, be subject to such restrictions and perform such duties in the management of the business, property and affairs of the Corporation as may be determined from time to time by the Board of Directors.

Section 5.6 President. The President shall be the chief executive officer of the Corporation. Subject to the control of the Board of Directors, he shall in general supervise the business and affairs of the Corporation and he shall see that resolutions and directions of the Board of Directors are carried into effect except when that responsibility is specifically assigned to some other person by the Board of Directors. Unless there is a Chairman of the Board who is present and who has the duty to preside, the President shall preside at all meetings of the stockholders and, if a director, at all meetings of the Board of Directors. Except in those instances in which the authority to execute is expressly delegated to another officer or agent of

the Corporation or a different mode of execution is expressly prescribed by the Board of Directors or these By-laws or where otherwise required by law, the President may execute for the Corporation any contracts, deeds, mortgages, bonds or other instruments which the Board of Directors has authorized to be executed or the execution of which is in the ordinary course of the Corporation's business, and he may accomplish such execution either under or without the seal of the Corporation and either individually or with the Secretary, any Assistant Secretary, or any other officer thereunto authorized by the Board of Directors or these By-laws. In general, he shall perform all duties incident to the office of President and such other duties as from time to time may be prescribed by the Board of Directors.

Section 5.7 Vice Presidents. In the absence of the President or in the event of his inability or refusal to act, the Vice President (or in the event there is more than one Vice President, the Vice President designated Executive Vice President by the Board of Directors and thereafter, or in the absence of such designation, the Vice Presidents in the order otherwise designated by the Board of Directors, or in the absence of such other designation, in the order of their election) shall perform the duties of the President, and when so acting, shall have all the authority of and be subject to all the restrictions upon the President. Except in those instances in which the authority to execute is expressly delegated to another officer or agent of the Corporation or a different mode of execution is expressly prescribed by the Board of Directors or these By-laws or where otherwise required by law, the Vice President (or each of them if there are more than one) may execute for the Corporation any contracts, deeds, mortgages, bonds or other instruments which the Board of Directors has authorized to be executed, and he may accomplish such execution either under or without the seal of the Corporation and either

individually or with the Secretary, any Assistant Secretary, or any other officer thereunto authorized by the Board of Directors or these By-laws. The Vice Presidents shall perform such other duties as from time to time may be prescribed by the President or the Board of Directors.

Section 5.8 Treasurer. The Treasurer shall be the principal financial and accounting officer of the Corporation, and shall (a) have charge and custody of, and be responsible for, all funds and securities of the Corporation; (b) keep or cause to be kept correct and complete books and records of account including a record of all receipts and disbursements; (c) deposit all funds and securities of the Corporation in such banks, trust companies or other depositories as shall be selected in accordance with these By-laws; (d) from time to time prepare or cause to be prepared and render financial statements of the Corporation at the request of the President or the Board of Directors; and (e) in general, perform all duties incident to the office of Treasurer and such other duties as from time to time may be prescribed by the President or the Board of Directors. If required by the Board of Directors, the Treasurer shall give a bond for the faithful discharge of his duties in such sum and with such surety or sureties as the Board of Directors shall determine.

Section 5.9 Secretary. The Secretary shall (a) keep the minutes of the proceedings of the stockholders and of the Board of Directors in one or more books provided for that purpose; (b) see that all notices are duly given in accordance with the provisions of these By-laws or as required by law; (c) be custodian of the corporate records and of the seal of the Corporation and see that the seal of the Corporation is affixed to all stock certificates prior to the issue thereof and to all documents the execution of which on behalf of the Corporation under its seal is necessary or appropriate; (d) keep or cause to be kept a register of the name and address of each

stockholder, which shall be furnished to the Corporation by each such stockholder, and the number and class of shares held by each stockholder; (e) have general charge of the stock transfer books; and (f) in general, perform all duties incident to the office of Secretary and such other duties as from time to time may be prescribed by the President or the Board of Directors.

Section 5.10 Assistant Treasurers and Assistant Secretaries. In the absence of the Treasurer or Secretary or in the event of the inability or refusal of the Treasurer or Secretary to act, the Assistant Treasurer and the Assistant Secretary (or in the event there is more than one of either, in the order designated by the Board of Directors or in the absence of such designation, in the order of their election) shall perform the duties of the Treasurer and Secretary, respectively, and when so acting, shall have all the authority of and be subject to all the restrictions upon such office. The Assistant Treasurers and Assistant Secretaries shall also perform such duties as from time to time may be prescribed by the Treasurer or the Secretary, respectively, or by the President or the Board of Directors. If required by the Board of Directors, an Assistant Treasurer shall give a bond for the faithful discharge of his duties in such sum and with such surety or sureties as the Board of Directors shall determine.

Section 5.11 Salaries. The salaries and additional compensation, if any, of the officers shall be determined from time to time by the Board of Directors; provided, that if such officers are also directors such determination shall be made by a majority of the directors then in office.

Any of or all the signatures on the certificates may be a facsimile. All certificates of stock shall bear the seal of the Corporation, which seal may be a facsimile, engraved or printed.

Section 6.2 Transfer of Shares. The shares of the Corporation shall be transferable. The Corporation shall have a duty to register any such transfer (a) provided there is presented to the Corporation or its transfer agents (i) the stock certificate endorsed by the appropriate person or persons and (ii) reasonable assurance that such endorsement is genuine and effective; and, (b) provided that (i) the Corporation has no duty to inquire into adverse claims or has discharged any such duty; (ii) any applicable law relating to the collection of taxes has been complied with; and (iii) the transfer is in fact rightful or is to a bona fide purchaser. Upon registration of such transfer upon the stock transfer books of the Corporation the certificates representing the shares transferred shall be cancelled and the new record holder, upon request, shall be entitled to a new certificate or certificates. The terms and conditions described in the foregoing provisions of this Section shall be construed in accordance with the provisions of the Delaware Uniform Commercial Code, except as otherwise provided by the Delaware General Corporation Law. No new certificate shall be issued until the former certificate or certificates for a like number of

shares shall have been surrendered and cancelled, except that in case of a lost, destroyed, wrongfully taken or mutilated certificate a new one may be issued therefor upon such terms and indemnity to the Corporation as the Board of Directors or the President may prescribe consistent with applicable law.

## ARTICLE VII

### DIVIDENDS

Section 7.1 Dividends. Subject to the provisions of the General Corporation Law of the State of Delaware and the Certificate of Incorporation, the Board of Directors may declare and pay dividends upon the shares of its capital stock. Whenever any notice is required to be given under these By-laws, the Certificate of Incorporation or the General Corporation Law of the State of Delaware, a waiver thereof in writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

Section 1.1 Registered Office and Agent. The Corporation shall have and maintain a registered office in Delaware and a registered agent having a business office identical with such registered office.

Section 1.2 Other Offices. The Corporation may also have such other office or offices in Delaware or elsewhere as the Board of Directors may determine or as the business of the Corporation may require.

ARTICLE II  
STOCKHOLDERS

Section 2.1 Annual Meeting. An annual meeting of the stockholders shall be held on the second Tuesday in June in each year beginning with the year 1997, at the hour of 10:00 A.M., or in the event the annual meeting is not held on such date and at such time, then on the date and at the time designated by the Board of Directors, for the purpose of electing directors and for the transaction of such other business as may come before the meeting. If the day fixed for the annual meeting shall be a legal holiday, such meeting shall be held on the next succeeding business day. If the directors shall not be elected at the annual meeting, or at any adjournment

thereof, the Board of Directors shall cause the election to be held as soon thereafter as may be convenient.

Section 2.2 Special Meetings. Special meetings of the stockholders may be called at any time by the President, and shall be called by the President or Secretary at the request of (a) a majority of the Board of Directors or (b) the holders of not less than one-fifth of all the outstanding shares entitled to vote on the matter for which the meeting is called. Such request shall state the purpose or purposes of the proposed meeting.

Section 2.3 Place of Meeting. Meetings of stockholders, whether annual or special, shall be held at such time and place as may be determined by the Board of Directors and designated in the call and notice or waiver of notice of such meeting; provided, that a waiver of notice signed by all stockholders may designate any time or place as the time and place for the holding of such meeting. If no designation is made, the place of meeting shall be at the Corporation's principal place of business.

Section 2.4 Notice of Meeting. Written notice stating the place, date and hour of the meeting and, in case of a special meeting, the purpose or purposes for which the meeting is called, shall be given not less than ten nor more than sixty days before the date of the meeting, or, in the case of a merger, consolidation or sale, lease or exchange of all or substantially all of the Corporation's property and assets, at least twenty days before the date of the meeting, either personally or by mail, by or at the direction of the President, the Secretary or the persons calling the meeting, to each stockholder of record entitled to vote at such meeting. If mailed, notice is given when deposited in the United States mail, postage prepaid, directed to the stockholder at his address as it appears on the records of the Corporation.

Section 2.5 Fixing Record Date for Determination of Stockholders. For the purpose of determining stockholders entitled to notice of or to vote at any meeting of stockholders, or stockholders entitled to receive payment of any dividend, or in order to make a determination of stockholders for any other proper purpose, the Board of Directors may fix in advance a date as the record date for any such determination of stockholders, such date to be not more than sixty days prior to the date of a meeting of stockholders, the date of payment of a dividend or the date on which other action requiring determination of stockholders is to be taken, as the case may be. In addition, the record date for a meeting of stockholders shall not be less than ten days, or in the case of a merger, consolidation or sale, lease or exchange of all or substantially all of the Corporation's property and assets, not less than twenty days immediately preceding such meeting. When a determination of stockholders entitled to vote at any meeting of stockholders has been made as provided in this Section, such determination shall apply to any adjournment thereof; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

Section 2.6 List of Stockholders Entitled to Vote. The officer who has charge of the stock ledger of the Corporation shall prepare and make, at least ten days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, for a period of at least ten days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is

to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present. The stock ledger shall be the only evidence as to who are the stockholders entitled to examine the stock ledger, the list of the stockholders, the corporate books, or to vote at any meeting of the stockholders.

Section 2.7 Quorum and Manner of Acting. Unless otherwise provided by the Certificate of Incorporation or these By-laws, a majority of the outstanding shares of the Corporation, entitled to vote on a matter, present in person or represented by proxy, shall constitute a quorum for consideration of such matter at any meeting of stockholders; provided, that if less than a majority of the outstanding shares entitled to vote on a matter are present in person or represented by proxy at said meeting, a majority of the shares so present in person or represented by proxy may adjourn the meeting from time to time without further notice other than announcement at the meeting at which the adjournment is taken of the time and place of the adjourned meeting. At the adjourned meeting the Corporation may transact any business which might have been transacted at the original meeting. If the adjournment is for more than thirty days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. If a quorum is present, the affirmative vote of the majority of the shares present in person or represented by proxy at the meeting and entitled to vote shall be the act of the stockholders, unless the vote of a greater number or voting by classes is required by the General Corporation Law of the State of Delaware, the Certificate of Incorporation or these By-laws.

Section 2.8 Voting Shares and Proxies. Each stockholder shall be entitled to one vote for each share of capital stock held by such stockholder, except as otherwise provided in the Certificate of Incorporation. Each stockholder entitled to vote shall be entitled to vote in person, or may authorize another person or persons to act for him by proxy executed in writing by such stockholder or by his duly authorized attorney-in-fact, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period.

Section 2.9 Inspectors. At any meeting of stockholders, the chairman of the meeting may, or upon the request of any stockholder shall, appoint one or more persons as inspectors for such meeting. Such inspectors shall ascertain and report the number of shares represented at the meeting, based upon the list of stockholders produced at the meeting in accordance with Section 2.6 hereof and upon their determination of the validity and effect of proxies, and they shall count all votes, report the results and do such other acts as are proper to conduct the election and voting with impartiality and fairness to all the stockholders. Each such report shall be in writing and signed by at least a majority of the inspectors, the report of a majority being the report of the inspectors, and such reports shall be prima facie evidence of the number of shares represented at the meeting and the result of a vote of the stockholders.

Section 2.10 Voting of Shares by Certain Holders. Shares of its own stock belonging to the Corporation, unless held by it in a fiduciary capacity, shall not be voted, directly or indirectly, at any meeting, and shall not be counted in determining the total number of outstanding shares at any given time. Shares standing in the name of another corporation, domestic or foreign, may be voted by such officer, agent or proxy as the by-laws of such corporation may prescribe, or, in the absence of such provision, as the board of directors of such

corporation may determine. Persons holding stock in a fiduciary capacity shall be entitled to vote the shares so held. Persons whose stock is pledged shall be entitled to vote, unless in the transfer by the pledgor on the books of the Corporation he expressly empowered the pledgee to vote thereon, in which case only the pledgee, or his proxy, may represent such stock and vote thereon.

Section 2.11 Action by Written Consent. Unless otherwise provided in the Certificate of Incorporation, any action required to be taken at any annual or special meeting of stockholders of the Corporation, or any action which may be taken at any annual or special meeting of such stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing.

Section 2.12 Cumulative Voting. If the Certificate of Incorporation so provides, at all elections of directors of the Corporation, or at elections held under specified circumstances, each holder of stock shall be entitled to as many votes as shall equal the number of votes which he would be entitled to cast for the election of directors with respect to his shares of stock multiplied by the number of directors to be elected by him, and he may cast all such votes for a single director or may distribute them among the number to be voted for, or for any two or more of them, as he may see fit.

### ARTICLE III

#### DIRECTORS

Section 3.1 General Powers. The business and affairs of the Corporation shall be managed by its Board of Directors, except as may be otherwise provided by statute or the Certificate of Incorporation.

Section 3.2 Number, Tenure and Qualifications. The number of directors shall be three (3). The number may be increased or decreased from time to time by amendment of this Section, except as otherwise provided for in the Certificate of Incorporation. Each director elected shall hold office until his successor is elected and qualified or until his earlier resignation or removal. Directors need not be stockholders or residents of Delaware.

Section 3.3 Regular Meetings. A regular meeting of the Board of Directors shall be held, without other notice than this Section, immediately after and at the same place as the annual meeting of stockholders. The Board of Directors may provide, by resolution, the time and place, either within or without Delaware, for the holding of additional regular meetings without other notice than such resolution.

Section 3.4 Special Meetings. Special meetings of the Board of Directors may be called at any time by the President or any two directors. The person or persons who call a special meeting of the Board of Directors may designate any place, either within or without Delaware, as the place for holding such special meeting. In the absence of such a designation the place of meeting shall be the Corporation's principal place of business.

Section 3.5 Notice of Special Meetings. Notice stating the place, date and hour of a special meeting shall be mailed not less than five days before the date of the meeting, or shall

be sent by telegram or be delivered personally or by telephone not less than two days before the date of the meeting, to each director, by or at the direction of the person or persons calling the meeting. Attendance of a director at any meeting shall constitute a waiver of notice of such meeting except where a director attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at nor the purpose of any meeting of the Board of Directors need be specified in the notice or waiver of notice of such meeting.

Section 3.6 Quorum and Manner of Acting. A majority of the number of directors as fixed in Section 3.2 hereof shall constitute a quorum for the transaction of business at any meeting of the Board of Directors; provided, that if less than a majority of such number of directors are present at said meeting, a majority of the directors present may adjourn the meeting from time to time without further notice. The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors, unless otherwise provided in the General Corporation Law of the State of Delaware, the Certificate of Incorporation or these By-laws.

Section 3.7 Informal Action by Directors. Any action which is required by law or by these By-laws to be taken at a meeting of the Board of Directors, or any other action which may be taken at a meeting of the Board of Directors or any committee thereof, may be taken without a meeting if a consent in writing, setting forth the action to be taken, shall be signed by all of the directors entitled to vote with respect to the subject matter thereof, or by all the members of such committee, as the case may be. Such consent shall have the same force and effect as a unanimous vote of all of the directors or all of the members of such committee, as the case may

be, at a duly called meeting thereof, and shall be filed with the minutes of proceedings of the Board or committee.

Section 3.8 Telephonic Meetings. Unless otherwise restricted by the Certificate of Incorporation or these By-laws, members of the Board of Directors or of any committee designated by such Board, may participate in a meeting of such Board or committee by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this Section shall constitute presence at such meeting.

Section 3.9 Resignations. Any director may resign at any time by giving written notice to the Board of Directors, the President, or the Secretary. Such resignation shall take effect at the time specified therein; and, unless tendered to take effect upon acceptance thereof, the acceptance of such resignation shall not be necessary to make it effective.

Section 3.10 Vacancies.

(a) Vacancies and newly-created directorships resulting from any increase in the authorized number of directors elected by all of the stockholders having the right to vote as a single class may be filled by a majority of the directors then in office, although less than a quorum, or by a sole remaining director, and the directors so chosen shall hold office until their successors are elected and qualified or until their earlier resignation or removal.

(b) Whenever the holders of any class or classes of stock or series thereof are entitled to elect one or more directors by the provisions of the Certificate of Incorporation, vacancies and newly created directorships of such class or classes or series may be filled by a majority of the directors elected by such class or classes or series thereof then in office, or by a sole remaining

director so elected, and the directors so chosen shall hold office until the next election of the class for which such directors shall have been chosen, and until their successors shall be elected and qualified or until their earlier resignation or removal.

Section 3.11 Removal. Any director or the entire Board of Directors may be removed, with or without cause, by the holders of a majority of the shares then entitled to vote at an election of directors, provided, however, that:

(a) if the Board is classified and unless otherwise provided in the Certificate of Incorporation, the stockholders may effect such removal only for cause; or

(b) if the Corporation has cumulative voting, and less than the entire Board of Directors is to be removed, no director may be removed without cause if the votes cast against his removal would be sufficient to elect him if then cumulatively voted at an election of the entire Board of Directors, or, if there be classes of directors, at an election of the class of directors of which he is a part.

Whenever the holders of any class or series are entitled to elect one or more directors by the provisions of the Certificate of Incorporation, the provisions of this Section shall apply, in respect to the removal without cause of a director or directors so elected, to the vote of the holders of the outstanding shares of that class or series and not to the vote of the outstanding shares as a whole.

Section 3.12 Interested Directors.

(a) No contract or transaction between the Corporation and one or more of its directors or officers, or between the Corporation and any other corporation, partnership, association, or other organization in which one or more of its directors or officers are directors or officers, or

have a financial interest, shall be void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the Board or committee thereof which authorizes the contract or transaction, or solely because his or their votes are counted for such purpose, if:

(1) The material facts as to his relationship or interest and as to the contract or transaction are disclosed or are known to the Board of Directors or the committee, and the Board or committee in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors, even though the disinterested directors be less than a quorum; or

(2) The material facts as to his relationship or interest and as to the contract or transaction are disclosed or are known to the shareholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the shareholders; or

(3) The contract or transaction is fair as to the Corporation as of the time it is authorized, approved or ratified by the Board of Directors, a committee thereof, or the stockholders.

(b) Common or interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorizes the contract or transaction.

ARTICLE IV

Section 4.1 Appointment and Powers. The Board of Directors may, by resolution passed by a majority of the whole Board, designate one or more committees, each committee to consist of one or more of the directors of the Corporation which, to the extent provided in said resolution or in these By-laws, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it; but no such committee shall have the power or authority in reference to amending the Certificate of Incorporation (except that any such committee may, to the extent authorized in the resolution or resolutions providing for the issuance of shares of stock adopted by the Board of Directors, fix the designations and any of the preferences or rights of such shares relating to dividends, redemption, dissolution, any distribution of assets of the Corporation or the conversion into, or the exchange of such shares for, shares of any other class or classes or any other series of the same or any other class or classes of stock of the Corporation or fix the number of shares of any series of stock or authorize the increase or decrease of the shares of any series), adopting an agreement of merger or consolidation, recommending to the stockholders the sale, lease or exchange of all or substantially all of the Corporation's property and assets, recommending to the stockholders a dissolution of the Corporation or a revocation thereof, or amending the By-laws; and, unless the resolution, By-laws or Certificate of Incorporation expressly so provide, no such committee shall have the power or authority to declare a dividend, to authorize the issuance of

stock, or to adopt a certificate of ownership and merger pursuant to Section 253 of the Delaware General Corporation Law.

Section 4.2 Absence or Disqualification of Committee Member. In the absence or disqualification of any member of such committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not they constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in the place of any such absent or disqualified member.

Section 4.3 Record of Proceedings. The committees shall keep regular minutes of their proceedings and when required by the Board of Directors shall report the same to the Board of Directors.

Section 5.2 Election, Term of Office and Qualifications. The officers shall be elected annually by the Board of Directors at the first meeting of the Board of Directors held after the annual meeting of shareholders. If the election of officers is not held at such meeting, such election shall be held as soon thereafter as may be convenient. Vacancies may be filled or new

offices created and filled at any meeting of the Board of Directors. Each officer shall be elected to hold office until his successor shall have been elected and qualified, or until his earlier death, resignation or removal. Election of an officer shall not of itself create contract rights.

Section 5.3 Removal. Any officer may be removed by the Board of Directors whenever in its judgment the best interests of the Corporation will be served thereby, but such removal shall be without prejudice to the contract rights, if any, of the person so removed.

Section 5.4 Resignation. Any officer may resign at any time by giving written notice to the Board of Directors, the President or the Secretary. Such resignation shall take effect at the time specified therein; and, unless tendered to take effect upon acceptance thereof, the acceptance of such resignation shall not be necessary to make it effective.

Section 5.6 President. The President shall be the chief executive officer of the Corporation. Subject to the control of the Board of Directors, he shall in general supervise the business and affairs of the Corporation and he shall see that resolutions and directions of the Board of Directors are carried into effect except when that responsibility is specifically assigned to some other person by the Board of Directors. Unless there is a Chairman of the Board who is present and who has the duty to preside, the President shall preside at all meetings of the stockholders and, if a director, at all meetings of the Board of Directors. Except in those instances in which the authority to execute is expressly delegated to another officer or agent of

the Corporation or a different mode of execution is expressly prescribed by the Board of Directors or these By-laws or where otherwise required by law, the President may execute for the Corporation any contracts, deeds, mortgages, bonds or other instruments which the Board of Directors has authorized to be executed or the execution of which is in the ordinary course of the Corporation's business, and he may accomplish such execution either under or without the seal of the Corporation and either individually or with the Secretary, any Assistant Secretary, or any other officer thereunto authorized by the Board of Directors or these By-laws. In general, he shall perform all duties incident to the office of President and such other duties as from time to time may be prescribed by the Board of Directors.

Section 5.7 Vice Presidents. In the absence of the President or in the event of his inability or refusal to act, the Vice President (or in the event there is more than one Vice President, the Vice President designated Executive Vice President by the Board of Directors and thereafter, or in the absence of such designation, the Vice Presidents in the order otherwise designated by the Board of Directors, or in the absence of such other designation, in the order of their election) shall perform the duties of the President, and when so acting, shall have all the authority of and be subject to all the restrictions upon the President. Except in those instances in which the authority to execute is expressly delegated to another officer or agent of the Corporation or a different mode of execution is expressly prescribed by the Board of Directors or these By-laws or where otherwise required by law, the Vice President (or each of them if there are more than one) may execute for the Corporation any contracts, deeds, mortgages, bonds or other instruments which the Board of Directors has authorized to be executed, and he may accomplish such execution either under or without the seal of the Corporation and either

individually or with the Secretary, any Assistant Secretary, or any other officer thereunto authorized by the Board of Directors or these By-laws. The Vice Presidents shall perform such other duties as from time to time may be prescribed by the President or the Board of Directors.

Section 5.8 Treasurer. The Treasurer shall be the principal financial and accounting officer of the Corporation, and shall (a) have charge and custody of, and be responsible for, all funds and securities of the Corporation; (b) keep or cause to be kept correct and complete books and records of account including a record of all receipts and disbursements; (c) deposit all funds and securities of the Corporation in such banks, trust companies or other depositories as shall be selected in accordance with these By-laws; (d) from time to time prepare or cause to be prepared and render financial statements of the Corporation at the request of the President or the Board of Directors; and (e) in general, perform all duties incident to the office of Treasurer and such other duties as from time to time may be prescribed by the President or the Board of Directors. If required by the Board of Directors, the Treasurer shall give a bond for the faithful discharge of his duties in such sum and with such surety or sureties as the Board of Directors shall determine.

Section 5.9 Secretary. The Secretary shall (a) keep the minutes of the proceedings of the stockholders and of the Board of Directors in one or more books provided for that purpose; (b) see that all notices are duly given in accordance with the provisions of these By-laws or as required by law; (c) be custodian of the corporate records and of the seal of the Corporation and see that the seal of the Corporation is affixed to all stock certificates prior to the issue thereof and to all documents the execution of which on behalf of the Corporation under its seal is necessary or appropriate; (d) keep or cause to be kept a register of the name and address of each

stockholder, which shall be furnished to the Corporation by each such stockholder, and the number and class of shares held by each stockholder; (e) have general charge of the stock transfer books; and (f) in general, perform all duties incident to the office of Secretary and such other duties as from time to time may be prescribed by the President or the Board of Directors.

Section 5.10 Assistant Treasurers and Assistant Secretaries. In the absence of the Treasurer or Secretary or in the event of the inability or refusal of the Treasurer or Secretary to act, the Assistant Treasurer and the Assistant Secretary (or in the event there is more than one of either, in the order designated by the Board of Directors or in the absence of such designation, in the order of their election) shall perform the duties of the Treasurer and Secretary, respectively, and when so acting, shall have all the authority of and be subject to all the restrictions upon such office. The Assistant Treasurers and Assistant Secretaries shall also perform such duties as from time to time may be prescribed by the Treasurer or the Secretary, respectively, or by the President or the Board of Directors. If required by the Board of Directors, an Assistant Treasurer shall give a bond for the faithful discharge of his duties in such sum and with such surety or sureties as the Board of Directors shall determine.

Section 5.11 Salaries. The salaries and additional compensation, if any, of the officers shall be determined from time to time by the Board of Directors; provided, that if such officers are also directors such determination shall be made by a majority of the directors then in office.

Anne-Marie, as we discussed, this is clearly not a complete response to question 2.b. of the EPA's request. That request, by including "Rathon Corp. and/or Diversey Wyandotte, Inc., its predecessors, subsidiaries, and affiliated corporations," would include all such transactions by Molson and any of its subsidiaries, since they were "affiliated corporations" with Rathon Corp. and Diversey Wyandotte, Inc. (Diversey Wyandotte, Inc. was a Canadian corporation not to be confused with Diversey Wyandotte Corporation, a Delaware corporation). Thus, all of the international transactions that Diversey did during the relevant time period would be included as would transactions by all other Molson subsidiaries. We would not have information to prepare a list of

such transactions, nor would it appear that they are in any way relevant to the EPA investigation. Also, we have not listed any transactions which predated the acquisition of The Diversey Corporation by Oron Inc. in 1978.

I hope this helps. If you need any further assistance, please contact me.

Very truly yours,

Q-3	<b>Identify the individual(s) (to include Rick Lenard) who coordinated and/or supervised the shipment of drums to be reconditioned at the Cooper Drum facility. Provide their full name, job title, current or last known address, telephone number and dates of employment.</b>
A-3	<p>Having Rick Lenard's name to work with, as supplied by EPA, we were able to get a 'hit' in our archived records which indicate that he was hired by Diversey on March 11, 1981 as Assistant to Plant Manager and that he resigned as Manager of Supply and Distribution on June 6, 1989. His last known address was 1072 Wilson #6, Pomona, CA 91768; home phone number (714) 622-5243. We have had no success in contacting him for comment as this number is no longer in service. We also conducted an internet search, without success.</p> <p>We are continuing our investigation as to any other former employees who coordinated and/or supervised the shipment of drums.</p>

Q-4	<b>Identify all owners of your facility since 1971, including dates of ownership and the nature of their operations at the facility.</b>
A-4	<p>The facility located at 8921 South Dice Road, Santa Fe Springs, California was owned by BASF Wyandotte Corporation from 1953 to March 31, 1980. Prior to Diversey's operations at the site, BASF Wyandotte Corporation used the facility to produce industrial detergent cleaners. In 1980, The Diversey Corporation, a wholly-owned subsidiary of The Molson Companies Limited, acquired the chemical specialties business of BASF Wyandotte Corporation, including the facility located at 8921 South Dice Road, Santa Fe Springs, California. The purchased business is described as being a chemical specialties business and is later described as the manufacture and distribution of industrial, institutional and domestic cleaning products.</p> <p>The Dice Road facility was later sold by an Agreement of Purchase and Sale dated March 24, 1997 to Oltmans Investment Company and subsequently assigned to Dice Road Company on May 11, 1998.</p> <p>According to information forwarded to us by the City of Santa Fe Springs on February 18, 2004, the present owner of the Dice Road facility is Dice Road Associates LP. This information was generated by Dataquick Information Systems. A copy of the Dataquick report is annexed to our Reply as <b>Schedule 4.1</b>. We have no further information regarding this company nor the nature of the business currently operated at 8921 South Dice Road land site.</p> <p>Our documents indicate that the facility located at 15010 East Don Julian Road in City of Industry, CA was operated by Dubois Chemicals, Inc. from 1971 to 1991, and that plant operations consisted of blending raw materials to produce cleaning products for commercial use. The facility was purchased by Diversey U.S. Holdings, Inc. from Chemed Corporation in 1991. Diversey/Rathon operated the facility until 1997 when it was sold to Ekstrom Properties Limited in 1997. To the best of our knowledge the facility is currently occupied by Ekstrom affiliate, Cardinal Industries, a surface coatings/paint manufacturing operation. Please see <b>Schedule 2.b</b>.</p>

**Report by Ecology and environment, inc.  
summarising the use of the facility from  
1953 to 1984**

The following is a summary of FIT's findings with regard to this site.

#### SUMMARY

The Diversey Wyandotte Corporation (Diversey) site is located at 8921 Dice Road in the city of Santa Fe Springs, Los Angeles County, California (Township 2 South, Range 11 West, Section 34, San Bernardino Base Line and Meridian; Latitude: 33° 57' 40", Longitude: 118° 3' 56"). See Figure 1: Site Location Map (1). Diversey has manufactured industrial detergent cleaners at this location since 1974 (2). Currently Diversey produces acid and alkali cleaning products as well as cleaning products containing chromium. Prior to Diversey's operations at the site, BASF Wyandotte (BASF) operated at the site from 1953 until 1974. BASF manufactured industrial detergent cleaners as well.

From 1953 until 1974, when BASF became Diversey, BASF disposed of production process waste solutions containing sodium hydroxide, sodium carbonate, and phosphoric acid to fifteen on-site injection wells. Over the 21-year period, disposal of wastes occurred five days per week at a volume of 200-gallons per day (2).

Since 1974, Diversey has generated two types of hazardous substances on site. Approximately 330 gallons per year of hexavalent chromium salts or acid in solution are generated in the production of industrial detergents. These wastes are collected in a polyethylene-lined, 55-gallon, fiber storage drum, then transferred to a 2,500-gallon, stainless steel treatment tank located in a bermed and covered storage area. From this area the chromium wastes are removed to a permitted disposal facility via a registered hauler (3,4).

Diversey also generates approximately 100 to 10,000 pounds of liquid or solid materials per month. These materials contain sodium hydroxide, potassium hydroxide or mineral acid wastes. Although up to 99% of this material is recycled, the remaining hazardous substance is treated in a neutralization/clarification system and discharged to the municipal sanitary sewer, permitted by the Los Angeles County Sanitation District (3,4).

In April 1984, a Preliminary Assessment of Diversey conducted by the Department of Health Services, (DHS) recommended soil and groundwater sampling due to the lack of information concerning possible contamination from the on-site injection wells operated by BASF (2). At this time there is no ongoing involvement or enforcement by DHS at the site (13).

The Resource Conservation and Recovery Act (RCRA) Database as of August 14, 1990 showed that Diversey is a fully permitted treatment storage and disposal facility (TSDF) which may have closed units. The RCRA Part A TSDF notifier database dated December 12, 1989 indicated that Diversey may be a state regulated facility. The July 11, 1988 RCRA permits database shows that Diversey is permitted for treatment in tanks and storage in drums on site, and that their Part B TSDF application was received in April of 1983. The RCRA waste information database shows that Diversey handles ignitable, corrosive and toxic waste.

SITE LOCATION MAP  
DIVERSEY WYANDOTTE CORPORATION  
8921 DICE RD.  
SANTA FE SPRINGS  
LOS ANGELES, CA

Groundwater in the area of Diversey ranges in depth from 74 to 350 feet below ground surface (bgs). The Diversey site is underlain by clays and sandy clays. The net annual precipitation for the Santa Fe Springs area is 3.15 inches (5,6). In the area of Diversey, domestic water is supplied by the Santa Fe Springs Water Company, the Southern California Water Company and the City of Norwalk Water Company. All three water companies have water supply wells within 4 miles of Diversey. The closest well, Santa Fe Springs well #1, is located approximately 0.5 miles from the site and feeds into a blended system which serves 100,000 residents (7,11).

The potential for an observed release to groundwater appears likely since hazardous substances were deposited in injection wells on site for 21 years at a rate of 200 gallons per day (2).

The closest surface water body to Diversey is the San Gabriel River, located approximately 1 mile west of the site (1). The river is protected from surface water intrusion by the presence of a berm barrier (1). This surface water is used for flood control only (14). Due to the local geography and intervening drainage systems, there appears to be minimal potential for a release to surface water. The 2-year, 24 hour rainfall for the Santa Fe Springs area is approximately 2.5 inches (6).

FIT is unaware of any air sampling having been done at the site. Several habitats of the following designated endangered species exist within 3 miles of the site; the southwestern pond turtle (Clemmys marmorata pallida), the San Diego horned lizard (Phrynosoma coronatum blainvillei), and the bank swallow (Riparia riparia) (8).

See Table 1-1 for nearby population data (9,10).

TABLE 1-1

Population Distribution Within 4 Miles

<u>DISTANCE RING</u> (miles)	<u>POPULATION</u>
on-site	50
0-0.25	1,465
0.25-0.5	6,603
0.5-1.0	5,166
1.0-2.0	54,520
2.0-3.0	109,958
3.0-4.0	104,162

At this time all hazardous substances appear to be adequately contained either on site in 55-gallon drums or tanks, or unavailable to migrate to the air. Therefore the possibility of a release to the air migration pathway appears low.

There are no on-site residents. Approximately 50 people are employed by Diversey (10).

There are approximately 13,280 nearby residents within 1 mile of the site (9,10).

There are unknown on-site sources, however, due to the small area of the site and the known deposition of wastes in the injection well system, it appears unlikely that aboveground disposal occurred (2).

#### SUMMARY OF HRS CONSIDERATIONS

The site's most significant Hazard Ranking System factors are as follows:

- o On-site injection well disposal of wastewater over a 20-year period;
- o High likelihood of documenting an observed release to groundwater;
- o Highly toxic and persistent chromium in a mobility enhancing acidic solution is generated on-site; and
- o A well 0.5 miles from site serves more than 100,000 people.

*Comments /  
Please*

Over the past two months, Accounts Payable has been receiving calls from vendors regarding non payment of past due invoices. The reason many of these invoices are being paid late is because most of the invoices processed by your plant are not sent to Accounts Payable until after they are past due.

I realize that you may not receive a few invoices until they are due, or occasional peak workload periods may prevent timely processing and cause a few days delay in batch transmittals. But, a review of the attached batch transmittals indicates that 75% of January and 60% of February invoices were past due when mailed to Accounts Payable.

As you know, we hold certain overlimits checks for 15 days past the due date, which does not appear to be objectionable with most vendors. With all our suppliers, however, payments made over thirty days late can lead to held shipments and/or less than favorable price quotes on future orders. Furthermore, each vendor phone call received by Accounts Payable necessitates time spent researching every item unpaid, leaving less time to spend on normal activity.

Please make sure that your staff makes every effort to ensure that all invoices are received by Accounts Payable no later than five working days before the due date. Your cooperation in this matter will be greatly appreciated.
